

The Rockwell 319

Property ID:

Location: de Waterkant

Property Description

The brand new development was inspired by the early 1900's buildings of New York City

Located in the trendiest neighborhood of Cape Town, De Waterkant, The Rockwell is within easy walking distance of everything a city-lover would need to stay happily entertained: The popular Victoria Alfred Waterfront is only a few blocks away, while well-known Long Street and its cosmopolitan mix of tourists and inhabitants is an easy few minutes walk away.

A five-minute drive will take you to the base of Table Mountain, while the beautiful beaches of Camps Bay and Clifton are only 10-minutes away.

This incredible coastal drive will take you all the way to the exclusive beach neighborhood of Llundudno, or further to the quaint area of Hout Bay. Needless to say, there is plenty to do in your immediate area, never mind the further away areas of the Cape Winelands and the pretty Boland towns further inland.

The luxury holiday apartment itself perfectly matches its fashion-conscious environment. Elegantly decorated mostly in neutral tones, the furnished luxury apartment is spacious and resonates a certain air of calm.

An open-plan kitchen tastefully clad in all-chrome appliances opens naturally onto the living room, which continues onto the large balcony that looks out onto the magnificent cityscape. The kitchen/living room has a neat seating area if one does not wish to dine outside on the balcony.

After a busy day exploring, come back to your own city haven and enjoy a quiet drink watching the sun sink over one of the most beautiful cities in the world.

While most self-catering accommodation has a generic feel to it that often leaves one feeling a bit homesick, this apartment will wish you lived here permanently.

Rest your weary limbs on the elegant L-shaped couch and either watch T.V or simply take in the view.

Alternatively, visit The Rockwell's private indoor heated swimming pool or gym. Both bedrooms are elegantly clad in tasteful decor matching the rest of the luxury furnished apartment, while the master room has its own private balcony for added luxury and romance.

The Rockwell also enjoys sophisticated 24-hour security, with underground parking that delivers one directly to your floor, via elevator.

The Rockwell offers self-catering accommodation at its most luxurious, allowing visitors to enjoy a temporary home away from home.
